"I'M PROUD TO PARTNER WITH LEER, WHOSE PRODUCTS HELP ME LIVE OUT MY STORY OF OUTDOOR ADVENTURE TO THE FULLEST."

— KIRSTIE ENNIS

READY FOR *ANYTHING*

Since 1960, LEER has been all about one thing — getting your pickup truck life-ready. After all, we know that your truck is much more than a vehicle — it's a reflection of who you are and what you do, day in and day out. It's why every truck cap, tonneau cover, and truck accessory we engineer is designed with your lifestyle in mind, whether you're hauling hunting gear, carting groceries, or climbing mountains like LEER Brand Ambassador Kirstie Ennis.

At LEER, we manufacture products to help secure, protect, and organize the ultimate hauling vehicle. We want you to live your life the way you want — with a truck that's ready for anything.

TRUCK CAPS

100XQ with optional LEER Locker & Thule® Roof Rack System

Our caps are built to protect your cargo and give you as much space as you need, no matter your lifestyle. Whether you're off on a kayaking trip, heading to the next worksite, or transforming your truck bed into a cozy ride for your dog, we've got the right truck cap for you.

TRUCK CAP STANDARD FEATURES

- Limited lifetime color and structure warranty
- Dark tint glass for security
- Recessed LED third brake light for safety
- Integrated fiberglass base rails for structural integrity
- Skirted sides for a seamless look
- Installation double-bulb seal for better water management
- Custom-fit design that fits the lines of the truck
- J-hook installation clamp conveniently tucked away in a pocket

CAB-HIGH TRUCK CAPS

Our sleek yet durable cab-high caps help you get the most out of your truck, whether you're headed to the job site or a campsite. What's more, they protect your gear from the elements and keep it safe thanks to secure features.

- All-glass rear door with no exterior handles for a clean look
- Twist-out side windows with screen

- Center twist flip-up door handle for ease of use
- Interior LED tube light for better cab visibility

- Recessed rear door with a gas-prop automotive design
- One-piece twist-out side windows with screens, an XQ exclusive

- Flipper side windows for easier access
- Inside door release for extra security

- Rotary latching system for the convenience of single-handed opening
- All-glass rear door with easy-access center twist handle

- Tough yet accessible double T-handle locks
- 50/50 sliding side windows with screens for ventilation and accessibility

100XQ

MID-RISE

TRUCK CAPS

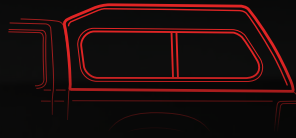

Our mid-rise caps allow you to utilize 15% more space in your truck bed than our cab-high models so you can pack it with large loads and still have some room to spare.

180XL

- Flipper side windows for easier access
- All-glass rear door with center twist flip-up door handle for ease of use

180XR

- 50/50 sliding side windows with screens for ventilation and accessibility
- All-glass rear door with easy-to-use basic center twist door handle

180

- Tough yet accessible double T-handle locks
- Aluminum-framed rear door with proven durability

180

122

HIGH-RISE

TRUCK CAP

Our high-rise cap comes with an aerodynamic design that gives you 40% more space than our cab-high models, making it easier to get all your gear, tools, and equipment from point A to point B — and everywhere in between.

122

- Full-height framed door with double T-handle locks for convenient, secured access
- Side bay windows and 50/50 sliding side windows with fixed screens

40% MORE SPACE THAN CAB-HIGH MODELS

122

Styling may change based on your vehicle year. Check with your dealer for details.

OPTIONS & ACCESSORIES

TRUCK CAPS

You've found the cap you want. Now get the accessories you need, whether to store gear discreetly or add some light to your truck bed to make life more convenient when exploring the outdoors.

LEER LOCKER™

Perfect for the avid outdoorsman, the LEER Locker is a secure, overhead sliding drawer system with 100 lb. capacity that stows gear safely out of the way, locked up tight. Convenient, adjustable storage dividers are great for organizing sports equipment, beach essentials, and camping supplies.

100XQ with optional LEER Locker & Roof Rack System

PRODUCTS ON THE *CUTTING EDGE*

At LEER, we're constantly innovating products to fit your lifestyle. The proof: our latest offerings. Our 200XQ Sport is smarter than the average cap, offering smooth, easy open-and-close action with a stylish keypad display and automatic locking capability via key fob or smartphone app. Our HF650M is a patented flush-mount cover with four lightweight yet durable panels and a tubeless water management system, making hauling and cleanup stress-free. No matter what you need for your truck, LEER's bringing it to life for your life.

200XQ Sport

HF650M

TONNEAUS

FIBERGLASS

700

Our tonneaus are designed to securely cover your gear no matter what you're hauling. Versatile and durable, they come in four styles with multiple configurations and signature features like our exclusive **CYNC™ latching system**, which lets you open and close the cover with one hand from either side.

TONNEAU COVER STANDARD FEATURES

FIBERGLASS

- Custom-fit design with a four-bar hinge for more contour
- Easy-to-open LEER SuperLift System
- Easy no-drill installation

ROLLING AND FOLDING

- LEER's exclusive **CYNC™ latching system** allows easy opening of the cover with one hand from either side
- No-drill design for one-person install

RETRACTABLE

- Built-in pull strap for ease of use
- Removable canister for full bed access

Ricochet

FIBERGLASS TONNEAUS

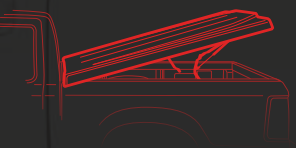

For ultimate security and weather-resistant protection, choose one of our color-matched fiberglass tonneaus. You'll have peace of mind about what's in the bed, everywhere you go.

750 SPORT

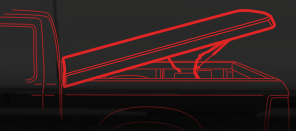

- Keyless remote for easy access
- Interior 12V LED adjustable light with gas prop switch
- Aerodynamic dimensional styling to match your truck

700

- Standard interior headliner
- Inside release for extra security

550

- Center twist flip-up door handle for ease of use
- Trimless, finished edges

700

SR250

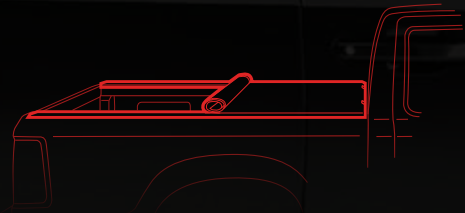

ROLLING TONNEAUS

Need full access to your bed, fast? With one of our rolling tonneaus, all you have to do is roll the seamless vinyl from the tailgate to the back of the cab. Plus, it comes equipped with our exclusive **CYNC™ latching system** that allows easy opening of the cover with one hand from either side of the truck bed.

SR250

- Lightweight design gives full access to the bed
- Excellent water management with beveled edges

LEER'S EXCLUSIVE CYNC™ LATCHING SYSTEM

FOLDING TONNEAUS

With one of our folding tonneaus, getting to your gear is as easy as 1-2-3. Whether you choose a soft or hard model, all you have to do is fold and unfold to open and seal your cargo. What's more, all of our folding models come equipped with our exclusive **CYNC™ latching system**.

HARD FOLDING

HF650M

- Four-paneled cover that opens more than the competition
- Thinner rails and low-profile latches that allow for more cargo space
- Superior water management system requiring no drain tubes

HF350M

- Hard surface panels and tether strap for enhanced security
- Superior water management system requiring no drain tubes

SOFT FOLDING

LATITUDE™ SC

- Vinyl sail cloth over 21 oz. triple-layer matte black twill fabric that resists mold, mildew, and wrinkles

LATITUDE™

- Double-coated, commercial-grade reinforced vinyl with rounded corners and double-stitching for strength and a custom fit
- Self-tensioning frame system keeps the cover taut

HF650M

RETRACTABLE TONNEAUS

Got cargo that won't fit beneath a closed tonneau? You can ride with our retractable tonneaus fully or partially open. Plus they retract and close in seconds, making life that much more convenient.

RICOCHET *XRT*

- Heavy-gauge, extruded aluminum panels with a tough, black matte surface

RICOCHET

- Soft cover design with tough aluminum understructure

Both Ricochet and Ricochet XRT feature full rear visibility and an easy install requiring only a Phillips screwdriver and 7/16" wrench.

RICOCHET

Ricochet

EQUIPPED FOR *LIFE*

LEER is all about getting your pickup truck life-ready, which means protecting your cargo with caps and tonneaus and helping you organize what's inside your truck bed. It's why we offer BEDSLIDE®, a truck bed addition that lets you easily access your equipment. It's also why we've created LEER Gear that makes everything from cleaning to camping even easier.

HF650M, BEDSLIDE, and LEER Gear

BEDSLIDE®

When it comes to accessing the equipment in your truck bed, LEER makes it as simple as possible with BEDSLIDE. The ultimate LEER cap and tonneau accessory for heavy-duty work or serious play, BEDSLIDE turns your truck bed into an easy-access sliding drawer, making it easier and safer than ever to load and unload. BEDSLIDE comes in three weight capacities to handle whatever you're hauling.

1000 CLASSIC | 1500 CONTRACTOR | 2000 HEAVY DUTY

For more information, visit BEDSLIDE.com

1000 CLASSIC

Available in silver and matte black finish options

NO-DRILL INSTALLATION KIT (OPTIONAL)

- Easy installation with hand tools
- No drilling into your truck bed
- Safe and secure mounting points

1000 Classic

LEER GEAR

We've created specialized gear you can use to take care of the truck you love. With gear including an off-road recovery kit, a cargo caddy, and a rooftop tent, you can get ready for any adventure of your choosing.

RECOVERY KIT BY BUBBA ROPE®

- Pull your truck out of mud, sand, or snow with this heavy-duty, double-braided nylon rope developed for the US military

25 QT. COOLER

- This ultra-sturdy cooler with an interior divider keeps food cold for up to 132 hours and is designed with a lid that easily opens in tight spaces

DETAILING SPRAYS

- Cleaners and protectants keep your Leer caps and tonneaus free of dirt and grime

CARGO CADDY

- This easy-to-carry caddy has three adjustable compartments, two removable sub-dividers, and 13 pockets you can configure to fit your needs whether you're camping or transporting tools

ROOFTOP TENT

- Up to three people can sleep in this water-resistant tent complete with sky panels, mosquito screens, and a high-density foam mattress
